## *Broadway UMC 2017 Bible Reading Plan*

The Bible is essential for knowing God and His will for our lives. It is the most important and essential book in history, because it is God's Word and His revelation of Himself, His percepts, and His purpose for our lives. As a Christian, you cannot and must not function without it!

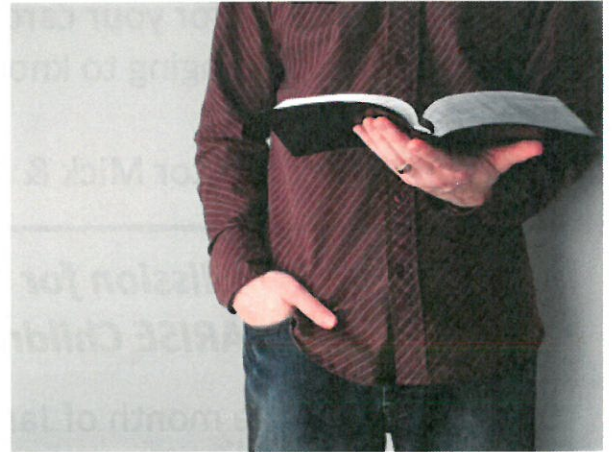

By reading from the One Year Bible you will read from four separate places in the scriptures every day, you should be able to better grasp the unity of the Scriptures, as well as enjoy the variety of four different viewpoints.

If you have never read the whole Bible, now is the time! If you have already read through the Bible, then consider studying the Scripture in more detail by concentrating on one passage per day. Continue thinking about that passage throughout the day and try to think of ways to apply what you have learned.

Don't forget to spend time in prayer. Thank God for giving you eternal life and His Word. In the year ahead, ask God each day to speak directly to you from the Scripture portions you read. Be expectant, and let your continual exposure to God's Word reshape your attitudes and behavior as you gain a better understanding of every part of His written testimony to us.

If you are reading from the One Year Bible, then we as a church will be reading the same scriptures each day! Bring your questions, insights from the Holy Spirit to weekly bible studies.

***Bible studies resume Tuesday, January 3rd @ 9:00am  
 and Wednesday, January 4th @ 6:15pm  
 Led by Pastor Mick in Spencer Hall***

In case you didn't know, 2016 marked **Kathy Gibson's 20th year** as Director of Music/Wesleyan Choir here at Broadway. Kathy was presented with flowers and a gift certificate following the Christmas Cantata on December 18th, in honor of this milestone. When you see Kathy offer a word of recognition to let her know what a blessing her ministry is to us.

Thank you so much for your cards and prayers. It was uplifting and encouraging to know that I have people praying for me.

Tara Burkholder, (Pastor Mick & Becky's daughter)

***Mission for the month of January, 2017***  
***ARISE Children's Outreach International***

Our Mission for the month of January will be ARISE Children's Outreach International. ACOI is a Christian ministry reaching out to children and their families in the Philippines suffering from poverty. *"Endeavoring to be the hands of Jesus as we offer tangible help, along with the tireless message of hope in Jesus Christ."*

ARISE was founded by Beninda (Bick) Miller to establish a vehicle whereby funds could be raised to encourage children and families under stress. The "Vision" of ARISE is to encourage children back into school, to assist local churches with supplies for ministry to families, to enable the sponsorship of children, to be a voice challenging involvement of believers and **To see children becoming followers of Jesus as they witness his love!** Bick resides with her husband and three sons near Baltic, OH, having grown up in the Philippines and still having family there.

Funds are still needed to complete their current building project--building a local church. The old church was destroyed on December 6, 2014 by a strong typhoon. The new church will be built stronger and much larger, to accommodate the increase of people who have come to the Lord Jesus Christ. Praise God!! Please pray about being part of this mission for ARISE. Thank you and God Bless!

**Broadway Mission Committee next meeting**  
**Monday, January 9th @ 6pm in the library.**

## **New Year Schedule for Bible Studies**

The first Bible study of 2017 will be Tuesday, January 3rd, @ 9:00am and Wednesday, January 4th, @ 6:15pm. The new year is a great time to join. They are Tuesdays 9:00am and Wednesdays 6:15pm in Spencer Hall.

Led by Pastor Mick Foster.

If we have bad weather, please listen for school closings. We will not have Bible Studies or Call to Prayer if New Philadelphia school closes. If they have school, but cancel the basketball game for that evening, we will not have evening bible study. We will also be cancelling through the One Call.

## **Broadway's "Electronic GIVING ONLINE"**

Have you thought about giving online? It is easy and secure. Broadway has created funds to accomplish very specific goals during the coming year. Each month, a different mission is selected to be our "Mission of the Month". Broadway is very generous with the outreach missions. But, we also need funds to run the church itself. All funds placed into the General Fund pay for everything from the utilities to payroll to cleaning supplies to plowing the snow. These are the greatest expenses we need to fund and we can only do this with your weekly, monthly or yearly contributions.

Online giving gives you the option of telling us where, when and how much in donations you wish to give without having to remember to write your check. If you are interested in this easy way to help Broadway to fulfill it's mission to reach out to all, you can get on Broadway's website and click on the online giving link, ask for a form which we can start your account for you or use the QR here to begin giving online.

"Give Online" Authorization Forms are in the Narthex if you would like the church to enter your information for you. Or, add our QR to your phone!!

## NEWS AND ANNOUNCEMENTS

Whew! We have been a pretty busy group since our last newsletter. Our youth were involved in a one-day VBS, caroling at Hennis Care, a Christmas program, youth nights, a Christmas party, and an upcoming New Year's Eve-Eve party. Things have been pretty busy...and FUN!

We had a wonderful donation of some additional furniture for our youth room from Chris & Christa Demuth. We rearranged our space and expanded our seating area to accommodate small & large group gatherings. We are so thankful and blessed for such a generous gift to our group.

January looks to be just as busy, but now that the parties are over, we plan to get back to our focus of discipleship & worship...our true purpose.

# Church Photo Directory

## New Pictorial Directory

Broadway Church's last picture directory was 2011. Many changes have taken place. We are scheduled to have pictures taken by Lifetouch Tuesday, March 21st—Saturday, March 25th, in Spencer Hall.

***Each family that participates receives a directory at no charge and a complimentary 8x10 of the directory pose.*** A digital imaging system is used so families can view their poses right after they are pho-

tographed. After the family selects their directory pose they will also have the opportunity to purchase additional portraits at discounted prices.

At the moment we would like to have a chairperson or co-chairpersons to head the directory committee. The photo company will guide you through each step of the way. All friends and members can schedule their picture time on line. This is very convenient. Call the office (330) 339-1082 if you are willing to help.

## HELP WANTED

*'Train up a child in the way he should go; even when he is old he will not depart from it.'* Proverbs 22:6

Broadway UMC is blessed to have so many wonderful children join us every week for Sunday School and worship! They give us so many opportunities to share the Word of God and display the Love of Christ -- rocking a baby in the nursery, leading a Sunday School class or just spending time making sure that a child feels comfortable and welcome.

Giving these kids the love and wisdom they deserve takes many hands and we are in need of volunteers to be those hands. Helpers are needed in all areas of Children's Ministry, but the most pressing need is for Sunday School teachers and leaders in the Preschool room during the 10:45 Service.

Please contact Amy if you are interested in volunteering. You can call or text 330-324-1404 anytime. Even if you aren't able to volunteer or already do, please help by remembering this need in prayer - asking that the Lord provide all that these children need both in and outside of the church.

## ***“The Shepherd’s Lambs”***

**by Donna Deedrick**

*“Jesus asked Simon (Peter), “Son of John, do you love me more than these?”*

*“Yes, Lord,” Peter replied, “you know I love you.” “Then feed my lambs,” Jesus told him” (John 21:15).*

*Our God is still at work in this world! In spite of persecution and governments efforts to prevent it.*

*In November 2016, CCM Ministries reports that the Iranian Regime has tried to eradicate Christianity by genocide, harsh persecution and forced conversion to Islam. There is a large underground Church there—and it is growing!*

*Hundreds of Iranians have converted to Christianity, and many have been baptized in secret ceremonies held in private homes.*

*Mani Erfan, founder and CEO of CCM Ministries, has been involved in Iran’s Underground Church movement for decades. He cites an astounding awakening there, especially among younger people. It is predicted by 2020, some 10% of the Iranian population will be Christians providing hope for Christian communities across the Middle East.*

*Brett Larbell of Open Doors spent a week with an Iranian believer named Ara. Ara has been violently persecuted for leading a house Church network and printing Bibles. Brett realized that in spite of their differing backgrounds and experiences, we are all members of the Shepherd’s flock. Ara was tortured for his faith. Brett has been blessed to live a life in relative freedom. Brett grew even more aware that we are:*

***One Family***

***One Flock***

***One Body***

***We have one Shepherd and are connected to One Vine.***

***Pray for our brothers and sisters in Christ.***

*“My sheep hear my voice, and I know them and they follow Me, I give them eternal life and they will never perish, and no one will snatch them out of my hand” (John 10:27-28).*

## Haiti News

Greetings in the name of Jesus!

Our Haiti Mission Team has expanded from 5 to 7! In addition to our 2016 team, we've recently added Devin Bell and Jordan Bowling.

The team has had several very successful fundraising events, with more to come!

On January 29, 2017, the team will be hosting a 5th Sunday luncheon. We'll offer Amish Chili (cooked over an open fire!) and will have baked potatoes and the makings for taco salad also. We'll also offer chicken noodle soup for those who aren't crazy about chili, and of course, a variety of desserts!

We will also be holding a silent auction. We'll have a variety of items to choose from, with one very exciting item-plan to attend our luncheon to learn what it is!

We are continuing our candy bar sales until we run out (we have plenty left!) Consider giving your sweetheart a candy bar bouquet for Valentine's Day!

Read next months newsletter to learn our additional exciting fundraisers in February.

Thank you for your continued support of our team!

## **“Organized for Peace”**

### **January 2017**

Some time ago Billy Graham said that if God would bring another great revival to America He could use the United Methodist Church to do it.

Rev. Graham reasoned that our denomination was better organized than any other to reach the peoples. Our structure, polity, and number of churches, if unified and committed, could be a powerful tool for the Holy Spirit.

I have come to believe our authoritative and organizational structure, though not perfect, is closer to that of God's Kingdom than that of any other denomination. Power comes from the top down, yet everyone has a voice. Individuals and groups are given responsibility for their areas of ministry, but input from others is welcomed. When things need to happen, we are formed to get it done. When problems arise, we know whom to turn to.

One of the great blessings of good organization is the peace it produces. When everyone knows and accepts their area of responsibility and the authority that goes with it, and the domain of others too, differences of opinion are settled by allowing those with authority in that specific area to make the final decision.

I am not writing this because of any major unrest in our church family. Things are going well and we 'are' following the leading of the Head of our Church, Jesus Christ. He is giving us His plans, plans to use us in greater and greater ways. I am writing this so that God's peace stays here with us at Broadway and so that we will continue to move forward as 'one' body.

And when people don't handle their responsibilities well, which happens, we turn to the group or individual responsible and do what we must, in Christian love, for the sake of the ministry and for the glory of God. We do not allow anything to permit Satan to bring division or cause us to be unfruitful. God's peace rules where He is obeyed.

The character quality necessary for peace is humility. Humility is a state of the heart and determination of the mind to submit to those in authority over us, and to assist and support them in keeping the responsibilities they have been given. Pride steals peace; humility maintains peace.

We are essentially talking about trusting God—knowing that He can and will use the government of the church, and His servants in it, to fulfill His purposes for it. When we remember that ultimate authority rests with Him, we can have peace even when we do not agree or we don't understand why others in the church make the decisions they do. And as we continue to trust and turn to God together, He just might start a revival right here.

*“The Lord will give strength unto His people; the Lord will bless His people with peace” (Psalm 29:11 KJV).*

## Young at Heart

The Young-at-Heart luncheon will be Wednesday, January 11th.

We will be going to Applebee's.

We will be leaving from the church parking lot at 11:45am to carpool. Lunch is at Noon.

Contact Carrie Moro (330) 987-6004 or Sheryl Thompson (330) 407-5829 for reservations.

## Ministry Opportunity

The AV team is seeking additional members to control screen visuals and sound for worship services, one or more weeks per month. We serve primarily on Sunday mornings. Additionally, we provide both screen visual and sound support for choir and praise team rehearsals one evening during the week and during the Sunday School hour. The most critical need now is changing slides for the 10:45 service 1-2 Sundays per month. Our scheduling is flexible to accommodate team members' varying time obligations. Experience using Powerpoint or Keynote; and/or mixing sound during worship services or other events is a plus, depending on whether you want to run visuals or sound or both. However if you are called to consider this for the first time as a ministry, we will train you as needed. The greatest requirements are that you are saved by Jesus Christ and that you have a sense for worship, including music. To help you see what is involved, please feel free to sit in the balcony right behind the AV team to observe during one or more services. Please contact Don Gibson at 330-260-7837 or check with any AV team member. This is a ministry. Thank you.

Screening results are provided to you in 21 days. We direct all participants with abnormal results to take the report to their physician. Carotid Artery and PAD screenings help identify the presence of Atherosclerosis, and if found, can be an early warning for higher risks of stroke and coronary artery disease. Such early warning information can help you and your doctor take important steps to reduce your risk for more serious health issues. If necessary, steps may include lifestyle and diet, medical therapies, and even more thorough follow-up testing and evaluation of your heart function. Appropriate modification of risk factors (including high blood pressure, smoking, heart disease, diabetes and poor diet) is also necessary for cardiovascular disease prevention. Our screenings cannot detect all forms of stroke risk or cardiovascular disease. All tests are for screening purposes only. You should consult with your personal physician regarding your screening results. Insurance Note: Life Line Screening does not participate in the Medicare program and the cost of our screening services is not covered or reimbursable by Medicare. Life Line Screening does not file insurance claims nor provide referrals to any physician's group or hospital. Screenings in California are provided by Life Line Mobile Screening, a physician owned practice. Screenings in Kansas are performed by Life Line Screening of America, Ltd. on behalf of Life Line Screening Physicians, P.A.
